

Some Butterflies of Mt Umunhum and Bald Mountain Trails:

Western Tiger Swallowtail (*Papilio rutulus*)

<https://www.inaturalist.org/observations/53560072>

Pale Swallowtail (*Papilio eurymedon*)

<https://www.inaturalist.org/observations/26466293>

Anise Swallowtail (*Papilio zelicaon*)

<https://www.inaturalist.org/observations/28453283>

Callippe Fritillary (*Speyeria callippe*)

<https://www.inaturalist.org/observations/27978885>

Variable Checkerspot (*Euphydryas chalcedona*)

<https://www.inaturalist.org/observations/74138442>

Gray Buckeye (*Junonia coenia* ssp. *grisea*)

<https://www.inaturalist.org/observations/30605965>

Lorquin's Admiral (*Limenitis lorquini*)

<https://www.inaturalist.org/observations/26466602>

Painted Lady (*Vanessa cardui*)

<https://www.inaturalist.org/observations/28446994>

Echo Azure (*Celastrina echo*)

<https://www.inaturalist.org/observations/48747129>

Acmon Blue (*Icaricia acmon*)

<https://www.inaturalist.org/observations/74142407>

Properthus Duskywing (*Erynnis properthus*)

<https://www.inaturalist.org/observations/3198927>

Rural Skipper (*Ochlodes agricola*)

<https://www.inaturalist.org/observations/48747112>

Great Copper (*Lycaena xanthoides*)

<https://www.inaturalist.org/observations/27867766>

Gorgon Copper (*Lycaena gorgon*)

<https://www.inaturalist.org/observations/48747156>

Hedgerow Hairstreak (*Satyrium saepium*)

<https://www.inaturalist.org/observations/51431424>

Mountain Mahogany Hairstreak (*Satyrium tetra*)

<https://www.inaturalist.org/observations/52228690>

Lotus Hairstreak (*Callophrys dumetorum*)

<https://www.inaturalist.org/observations/74171337>

Brown Elfin *Callophrys augustinus*

<https://www.inaturalist.org/observations/26190419>

California Ringlet (*Coenonympha tullia* ssp. *california*)

<https://www.inaturalist.org/observations/30630551>

Mylitta Crescent (*Phyciodes mylitta*)

<https://www.inaturalist.org/observations/27868434>
