

**Sierra Azul Preserve : A partial list of Flowering Plants
Mount Umunhum Summit, Mount Umunhum Trail and Bald Mountain
Trail, May-June.**

- Pacific Poison Oak** (*Toxicodendron diversilobum*)
<https://www.inaturalist.org/observations/70886129>
- Western Blue-eyed Grass** (*Sisyrinchium bellum*)
<https://www.inaturalist.org/observations/12830547>
- Chamise** (*Adenostoma fasciculatum*)
<https://www.inaturalist.org/observations/32261508>
- Big Berry Manzanita** (*Arctostaphylos glauca*)
<https://www.inaturalist.org/observations/17244195>
- Brittleleaf Manzanita** (*Arctostaphylos crustacea*)
<https://www.inaturalist.org/observations/21168625>
- California Pitcher Sage** (*Lepechinia calycina*)
<https://www.inaturalist.org/observations/11255462>
- Rough Hedge-nettle** (*Stachys rigid*)
<https://www.inaturalist.org/observations/45433644>
- California Hedge-nettle** (*Stachys bullatta*)
<https://www.inaturalist.org/observations/12701354>
- Coyote Mint** (*Monardella villosa*)
<https://www.inaturalist.org/observations/29083893>
- Cobwebby Thistle** (*Cirsium occidentale*)
<https://www.inaturalist.org/observations/48742467>
- Holly-leaf Pincushion Plant** (*Navarretia atractyloides*)
<https://www.inaturalist.org/observations/27870468>
- Naked Buckwheat** (*Eriogonum nudum*)
<https://www.inaturalist.org/observations/12830654>
- Big Squirreltail grass** (*Elymus multisetus*)
<https://www.inaturalist.org/observations/51432477>
- Hairy Gumweed** (*Grindella hirsutula*)
<https://www.inaturalist.org/observations/45749549>
- Grassy Tarweed** (*Madia gracilis*)
<https://www.inaturalist.org/observations/12829732>
- Ruby Chalice Clarkia** (*Clarkia rubicunda*)
<https://www.inaturalist.org/observations/51432303>
- Winecup Clarkia** (*Clarkia purpurea*)
<https://www.inaturalist.org/observations/26465327>
- Frémont's Silktassel** (*Garrya fremontii*)
<https://www.inaturalist.org/observations/66991521>
- Wiry Snapdragon** (*Sairocarpus vexillocalyculatus*)
<https://www.inaturalist.org/observations/28448134>
- Wavy-leafed Soap Plant** (*Chlorogalum pomeridianum*)
<https://www.inaturalist.org/observations/70884895>
- California Gilia** (*Gilia achilleifolia*)

<https://www.inaturalist.org/observations/11251088>
Clay Mariposa Lily (*Calochortus argillosus*)
<https://www.inaturalist.org/observations/27868462>
Redberry Buckthorn (*Rhamnus crocea*)
<https://www.inaturalist.org/observations/26465503>
Miniature Lupine (*Lupinus bicolor*)
<https://www.inaturalist.org/observations/26465466>
Sky Lupine (*Lupinus nanus*)
<https://www.inaturalist.org/observations/74459825>
Golden Yarrow (*Eriophyllum confertiflorum*)
<https://www.inaturalist.org/observations/45748740>
Birchleaf Mountain Mahogany (*Cercocarpus betuloides*)
<https://www.inaturalist.org/observations/70889680>
California Scrub Oak (*Quercus berberidifolia*)
<https://www.inaturalist.org/observations/60648013>
Leather Oak (*Quercus durata*)
<https://www.inaturalist.org/observations/17231724>
Slender Wild Oat (*Avena barbata*)
<https://www.inaturalist.org/observations/12831430>
Hairy Vetch (*Vicia villosa*)
<https://www.inaturalist.org/observations/44342293>
Douglas Silverpuffs (*Microseris douglasii*)
<https://www.inaturalist.org/observations/12830849>
Pale Flax (*Linum bienne*)
<https://www.inaturalist.org/observations/12830734>
Italian Thistle (*Carduus pycnocephalus*)
<https://www.inaturalist.org/observations/12830697>
California Manroot (*Marah fabacea*)
<https://www.inaturalist.org/observations/70884002>
California Chicory (*Rafinesquia californica*)
<https://www.inaturalist.org/observations/12829639>
Western Morning Glory (*Calystegia occidentalis*)
<https://www.inaturalist.org/observations/12829586>
Smooth Hawksbeard (*Crepis capillaris*)
<https://www.inaturalist.org/observations/12829541>
California Yerba Santa (*Eriodictyon californicum*)
<https://www.inaturalist.org/observations/12829436>
Orange Bush Monkeyflower (*Diplacus aurantiacus*)
<https://www.inaturalist.org/observations/10065144>
Maltese Star-Thistle (*Centaurea melitensis*)
<https://www.inaturalist.org/observations/12829410>
Smooth Mule-ears (*Wyethia glabra*)
<https://www.inaturalist.org/observations/45749589>
Red Brome (*Bromus rubens*)
<https://www.inaturalist.org/observations/12829381>
