Thank you!

To all the birders who have submitted an eBird checklist, attended one of our field trips, posted a sighting on South Bay Birds, or just visited our lovely county and enjoyed yourselves for a spell—you contributed to our understanding of the local avifauna, and you made this project possible, worthwhile and fun. So thank you! We share your love of the environment. We want you to know you add something special to our community, and you are why we do all this. You make being & birding here wonderful!
